

Faculty Perception of Instruction

Purpose: This form provides an opportunity to document and contextualize your instructional experiences this semester before receiving your Student Perception of Instruction (SPoI) results. You should complete the form for each of the classes you taught in the semester. Your responses can be compared with student responses to assist with interpretation of SPoI results. You have the option to share your Faculty Perception of Instruction (FPoI) with your chair or others. Your participation is completely voluntary.

Instructions: Please answer each question based on your current semester experiences. You can provide additional information in the Comments boxes. Within the Comments boxes, you can specify the course(s) to which you are referring.
