

Dream Job Roadmap

mapping the path to the possible

Step One:

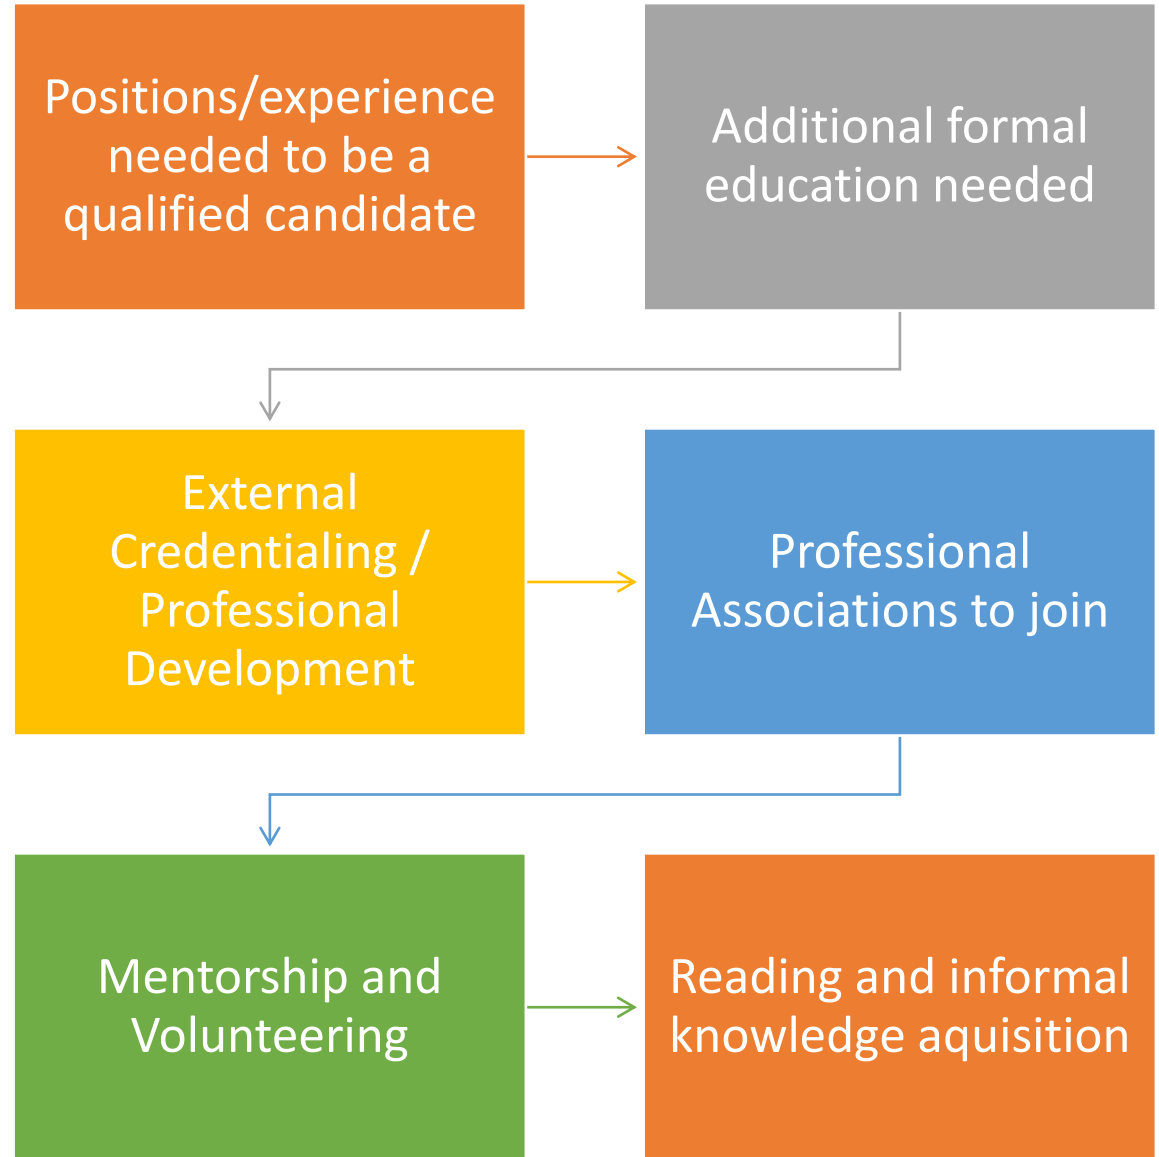

Research, contemplate, and imagine **THREE DIFFERENT CAREERS** you can envision for your life 15-20 years **AFTER** your graduation from UCF.

Step Two:

For each of these three careers, begin the process of “backwards engineering” the roadmap from being a qualified candidate for that professional position to a recent college graduate.

During this process consider

Dream Job Roadmap: Final Project

Submit

Submit an infographic highlighting the roadmap for each of these three professional positions

Include

Include a 400 – 600 word summary of the personal awareness and key lessons learned throughout this mapping project.

Project Showcase

Choose ONE of the three Roadmaps to share with your classmates during the project showcase.

This is your chance to inspire and educate others on career possibilities they may not have considered!
