M-F: 8:00am to 5:00pm

Driving Directions:

From University Drive, turn left (north) on Alafaya Trail (SR 434). Turn right on Gemini Boulevard, which is at the third stoplight (there's a BP gas station nearby), and follow this curved road around to Parking Garage H on the right. Turn into it through either entrance.

If you do not have a UCF parking

permit: park anywhere (except red "B"- or blue "C"-designated areas), but obtain a parking permit from the automated vending machines located on each level. It's \$5 for an all-day pass. Display it in your windshield before you head for our building. Alternately, you can purchase a virtual daily permit, which does not require a physical printout, since your license plate becomes your permit.

Park head-first: "back in" parking is prohibited at UCF, since a slowly-driving vehicle with camera sensors is used to read license plates and determine permit status.

Directions to the Building:

We are in suite 207 of Classroom Building 1, which is located immediately south of Parking Garage H and Classroom Building 2 and immediately north of the Student Union. To our east lie several grass fields that comprise the Memory Mall, with the Veteran's Memorial flagpole at the south end closest to our building.
